Jan 56

NOTE: There is one other aspect of this whole situation which is not an OSI job, but is of CIA interest because it is of interest to national security. That is:

~~The~~ mass ~~flying saucer~~ UFO reports could ~~x~~

(a) produce mass hysteria
(b) ~~jam~~ overload our radar warning system
(c) overload communication facilities.

It is not an OSI job but is of CIA interest because it is of interest to national security i.e.
That is:
~~The~~ mass ~~flying saucer~~ UFO reports could

(a) produce mass hysteria
(b) ~~jam~~ overload our radar warning systems
